Navigation. A WHITE POLE, surmounted by a circular shape, from which a Red Light is exhibited, has been creeted on Princes' Wharf, which, when kept in line with Woosung Lighthouse, leads midway between the Lismore Wreck Light-boat and the 12-fact contour of the Woosung Spit,

this being the line of deepest water two lights in line bear S. 75° 33' W The WOOSUNG LIGHT femains White from the bank of the Yangtze to the N.W.-ward of the Lighthouse to S. 22" W. It has been altered to GREEN from S. 22° W, to S. 64° 50' W., and to RED from S. 64° 50' W. to the left (or Wer arn)

The FORT BUOY has been shifted 700 feet S. 47° 40' W. from its former position, and moored in 15 feet at Low Water of Spring Tides; from it, the Woosung Lighthouse now bears S. 87° W., distant 4.9

A 10-FOOT CONICAL BUOY painted in Red and Black Vertical Stripes and surmounted by a Black Spherical Cage has been moored in 18 feet at Low Water of Spring Tides on the North-eastern edge of the Woosung Spit; and, from it, the Woo-

The Origin of Pinkerton's.

Pinkerton's celebrated Detective gency, which was engaged by Mr. Flower Presecution Committee to effect the arres of Whitsker Wright in Ne York, has wor itself a world-wide reputation during recenyears, as we remarked yesterday. In the primitive days of banking an enormou number of counterfeit notes were in circulation, and by chance, while seeking poles and stayes for his trade, Pinkerton droppe l ncross the lair of a band of forgers on an island in Fox River. He informed the sheriff, and the band was broken up but the counterfeit notes did not decrease. In consequence, Allan Pinkerton was commissioned by his fellow citizens of Dundee to try and stop it. By an accident he came into will not soon be forgotton. contact with the head of the gang and bluffed him into making an appointment with a view to doing business. This man, Craig by name, offered him a job to work the entire 'western field' on a commission basis, the only condition being that Pinkerton should put up a certain sum as security. This was subscribed by the citizens of Dundse, and Pinkerton found himself in possession of ten thousand dollars' worth of admirably forged notes. The gang by this coup was broken up.
